The 1982 *Scarlet & Gray* Staff would like to dedicate this yearbook to a very devoted teacher, Mrs. Mary Jane Weeks. Her career in teaching has spanned fifteen years and we have been privileged that she has spent the last five at Hopewell-Loudon teaching English and literature. Her energy and cheerful manner are appreciated by students and faculty members alike. However, many times her concern has extended beyond the classroom. She has spent many hours before and after school helping students academically as well as providing moral support.

Student involvement is also important to Mrs. Weeks as she is currently in her second year advising Student Council. This year she also served as a staff counselor, acquainting new teachers to school procedures.

Mrs. Weeks, we wish you many more successful years at Hopewell-Loudon.

COUPLES TEMPORARILY UNITE . . .

On October 29th and 30th, three couples from four Adult Living classes entered into holy matrimony. The Mock Wedding terminated the unit on marriage. Through class participation, the seniors learned how to plan and finance a wedding and reception. Each couple had a traditional wedding but made up their own vows. Everyone had fun as they watched Tina Hoffman become Mrs. Robert Yambert, Sherrie Hoover become Mrs. Eric Netzel and Ruth Hites become Mrs. Andrew Clouse.

Homecoming

Queen Nan Sauber

1981 Homecoming Queen Nan Sauber reigned over a contest between the Chieftains and the Tigers of Seneca East that ended in a 7-7 deadlock. The Chieftains were first to score when quarterback Jeff Craft tossed one to Tom Bauer for six. Brian Ream's precise one-point conversion made the score 7-0. After a score by the Tigers, the game was a hard and long fight to the finish.

Giving the fans a different kind of entertainment, at halftime, were the combined talents of the Marching Chieftains and the Marching Tigers. The combination gave a fantastic show enjoyed by the enthusiastic fans.

After the game the students enjoyed the traditional Homecoming Dance where Queen Nan and her court were honored and the "spirit-winning" seniors ruled. Music for the evening was supplied by J. B. Sound.

As always, the Student Council was responsible for the organization and planning of Spirit Week and all the Homecoming festivities. Certainly, a job well done.

TRYING SEASON FOR NEW COACH

C

Pre-season training began during the summer under new head coach Bill Fries and assistant coaches Gary Lydy and Tom Wolff. After many hours of hard work, the mighty Chieftains made their spectacular debut at Arcadia. They slipped by the Redskins with a score of 13-12. Two more victories followed, including the 22-6 pounding of the Lakota Raiders. This marked the first time H-L beat Lakota in football. Plymouth fell next with a score of 34-0. Then Northwood came to town. This was the gridders' first defeat. From that game on, it was an uphill fight. Although the disappointments were many, the valiant Chieftains never quit. In a closing interview, Coach Fries stated, "Hopewell-Loudon has a lot to be proud of."

Combined with the efforts of the junior high volleyball teams, the overall record of these four squads was a spectacular 40-7.

All Hopewell-Loudon wrestlers know the story involving Coach Kirian's moustache. During last year's season, Coach Kirian stated that he would shave his newly grown moustache only if an H-L wrestler made it to state. This year Brad Agerter put Coach Kirian's quote to the test. Brad was the first Hopewell-Loudon wrestler ever to be district runner-up and qualify for state. *Off came the moustache!*

Even though they were a young team with only one senior, the wrestling squad had a lot to be proud of. Several individual and team records were broken this season. The team records were as follows:

Most Individual Wins		208
Most Pins		88
Most Takedowns		236
Most District Qualifiers		7

Individual Records:

Fastest Pin	Brad Agerter	13 sec.
Most Wins	Brad Agerter	34 season
		76 career
Most Pins	Brad Agerter	23 season
		43 career
Most Takedowns	Scott Wise	44 season
	Randy Gabel	75 career

John Myers was the first H-L sectional champ.
Allen Fruth and Keith Scaife were voted Most Improved.
Randy Gabel was voted Outstanding Wrestler.

Congratulations to Coach Kirian and the H-L wrestling team for their fine efforts and good-luck next year.

The baseball team started the season at 7-3 and seemed to be on the road to victory. Their force was weakened by five straight losses, but when the Chieftains did make a come back, victory somehow remained just out of their reach. True to tradition the H-L ball club did not go down without a fight and managed to finish with a tie for 2nd place in the SCL, 3rd in the LSC and were voted 2nd seed in the sectional tournament action.

There were also some outstanding members of the baseball team. Andy Clouse and Bill Hossler were picked to the first team in the SCL. Bill Hossler led the team with a .388 batting average and received the best offensive and defensive player trophies. Andy Clouse and Kevin Schalk were invited to play in the all-district senior baseball game at the University of Toledo.

The 1982 softball year was a season of new accomplishments. Not only did the girls have the same number of wins as they had the previous year - 11, but they also won their first tournament game by defeating Fremont St. Joe's with a score of 12-7. One of the season highlights was the first win over New Riegel ever and then coming back to defeat them a second time.

The team also had some very outstanding individuals. Cindy Bouillon broke her own record of two home runs. Her record is now six. She also had 43 RBI's which broke her previous record of 27. Nan Sauber had the highest batting average - .540 which bettered her own school record of .521.

There were eleven lettermen on the team. Although a young team will be returning next spring, the season looks very promising.

ACTIVITIES

"TEAM-UP WITH THE FHA/HERO FAMILY"

H-L's FHA set two goals this year, to improve family and peer relationships, and to increase knowledge of jobs and future careers. Just a few of the ways they met these goals were by sponsoring a State Fair Child Care Center, FHA Hero Week, a school-wide Career Day, and visiting the Findlay Hearing Impaired School. The chapter was also very successful at state level by competing in four events.

LEARNING TO BE BETTER FARMERS FOR THE FUTURE

As usual the Hopewell-Loudon FFA completed another successful year. In shop, the members finished thirty projects including painting six hopper wagons and four tractors. They also learned how to do the six welds required to be a good welder.

In competition on the district level, the dairy judging team consisting of Rocky Cassidy, Jerry Hammer, John Schalk, Ken Scaife and Andre Tiell placed 8th out of thirty teams. At the District Soil Judging Contest on October 13th, the team of Jeff Hammer, Randy Halcomb, Scott Blue, Rex Malone and Mark Reinhart also placed 8th out of thirty teams. The highlight of the year was the State FFA Convention which was attended by Jeff Hammer, Jerry Hammer, Rocky Cassidy, and Bill Brackney, advisor. Art Schlister was the featured speaker and encouraged all the FFA members to use their talents to the best of their ability.

Putting Together The Best Yearbook Possible

Each year the Annual Staff sets a goal to make the yearbook better than it was the year before. There is always the challenge to improve the book and, on the contrary, a fear of repeating ourselves. However, each year there are always new members who have new ideas. Sometimes these ideas are difficult to incorporate, but serve to liven and often improve the book. Experience is also essential to avoid making costly mistakes.

The yearbook is something to be proud of. Each member experiences unequalled joy upon seeing the pages they designed.

A SYNOPSIS OF THE YEAR . . .

This year was very successful. We met all our deadlines and raised almost $5,000 worth of ads, which enabled us to continue with our color pages and also improve the coverage in the yearbook. However, one cannot have a good yearbook, no matter how large, without having creative and dedicated people to design the pages and write stories and captions. This year we met those qualifications.

Putting together a good yearbook takes time; often this meant staying after school every night of the week and, at times, on Saturdays. Nevertheless, in the fall, when the finished books arrive and we look at the pages we individually designed; the sense of pride and satisfaction more than compensates for the minor inconveniences of the year before.

Before we say "good-bye" to another year at H-L, we would like to thank the following people: *Dick Thatcher* - our Josten's representative; *Mrs. Fansler,* who helped us sell ads, proof read, and gave us invaluable advice; *Mr. Hawk* and *Mr. Finley* for developing pictures for us in our time of need; *Mrs. Harris, Ed Gaietto,* and *Janet Lowery* for drawing up art work for us; *Mrs. Poignon, Ms. Baum,* and *Mrs. Weeks* for helping us with our grammar and proof reading; *Mrs. Smith* for putting up with our use of the Home Ec. room; *Irene* and *Alana* for cleaning around us and all the little extras; and all coaches and activity advisors for writing summaries of their activities.

Sincerely,

The 1982 *Scarlet & Gray* Staff
